**IREDELL COUNTY AMATEUR RADIO SOCIETY
APRIL 14 2005
MEETING MINUTES**

The Iredell County Amateur Radio Society met at Julia's Tally House for the April 14, 2005 meeting. There were 10 members and four visitors present. President Margie Persons, KE4YWO called the meeting to order at 7:00 PM. She asked everyone to introduce him or herself. Patrick Whitson KI4JOT, 11 year old son of Tim Whitson, N4AVQ was recognized as a new Amateur having just received his license! After introductions, Margie asked if everyone had received his or her Iredell Wireless Newsletter. Margie then asked for approval of last month's meeting minutes, as printed in the March Wireless. John Lamson, WB4WRY, Treasurer was then asked to give his report. John reported the ending balance for last month as \$350.65. There were no checks written. There were two deposits of dues and fees, totaling \$60.00. That leaves an ending balance of \$410.65. Margie asked if there was a motion to accept the Treasurers report. A motion was made to accept the report. The report was then seconded and unanimously approved. The topic then turned to a discussion of prospective sites for the upcoming Field Day. After the discussion the meeting was adjourned.

Please forgive me if any errors or omissions occur in this month's minutes. I was unable to attend the meeting.

Proposed Field Day Site

At this time, a tentative site for Field Day has been selected. The site is McClure Park

Information:

Both metal shelters have **metal tables with metal seats sitting on 2 X 8's** and sitting on concrete floor. Ground rods may be needed.

There is a double charcoal grill and public water fountain. Also public rest rooms at entrance on left. The Park Picnic Area has been reserved for June 25 - June 26 at 3pm for overnight. We will have to obtain a signed permit or letter from Mr. John Bullard of Parks and Recreation Dept and something from Chief of Police in case need arises. This is the best thing we've been able to find up to now. *See sketch on next page.* Pictures on ICARS Website, Field Day Page.
